Home Learning Permission Note

Dear Parents/Carers

It is a Northern Territory Department of Education and Training (DET) requirement that schools develop and implement a school Home Learning policy.

At Durack School, we believe that Home Learning, along with family discussion, play and extra-curricular activities, is a valuable part of the learning process of all children.

Durack School Home Learning Guidelines

It is recommended that students complete Home Learning, four days a week for 20 minutes a day, with parental support.
