Check Your Mate

This week, some students have participated in the Asthma Aware 'Check Your Mate' program with Kirra from the Darwin Asthma Foundation.

Kirra shared some information about Asthma and how to be aware in the playground if one of our friends are struggling to breathe. We discussed triggers including thunderstorms, dust, mites, pets, mould, allergies, flu, rapid changes in weather, stress and more...

Miss Kirra shared how important it was to safely and calmly seek out an adult and when to call 000.

Please be Asthma Aware and Check Your Mate!
